

Thames Valley Autism Alert Card

Thames Valley Police and Autism Berkshire have launched The Thames Valley Autism Alert Card. It's a card the size of a credit card that gives autistic people a quick and easy way to explain their condition to others.

On the back of the card, there is space for two emergency contacts, such as parents or carers so they can be contacted if help is needed.

Autism Berkshire issues the Thames Valley Autism Alert Card for free to anyone living in Buckinghamshire, Berkshire, Oxfordshire and Milton Keynes who has an autism diagnosis.
